Understanding Aged Care Fees

Thank you for considering Nazareth Care as your Aged Care provider. Nazareth Care is a not for profit Australian Government Funded Aged Care provider regulated by the Aged Care Quality and Safety Commission.

Moving into aged care is a significant financial decision. The Australian Government subsidises and regulates aged care costs, with the amount you pay depending on your financial situation.

To find out what you will be required to pay with respect to your personal circumstances, please contact the **Services Australia's** Financial Information Service on **132 300** and say **"Financial Information Service"** when prompted.

In addition, **My Aged Care** is the Australian Government starting point that supports your aged care journey. Please view **myagedcare.gov.au** or call My Aged Care on **1800 200 422** for further assistance.

You may also wish to contact us directly at Nazareth Care on **1300 629 273** for a confidential, obligation-free conversation. We are happy to assist and guide you through the steps of entering our home.

What are the Care and Accommodation Costs?

There are a number of costs associated when entering Residential Aged Care.

At Nazareth Care you can be expected to pay:

- Basic Daily Fee

  The Current Fee is $68.93 per day, which is the amount everyone pays for the day-to-day services received.

+

- Accommodation Costs

  A varying cost for your room you may be asked to pay, based on your means assessment, calculated using the **current MPIR* (8.51%) *Subject to Change**

+

- Non-Clinical Care Contribution (NCCC)

  A means-tested contribution towards non-clinical care services with a daily contribution capped at $109.44. There is a lifetime cap of $140,652.80 on contributions to the NCCC, or after 4 years, whichever occurs first.

+

- Hotelling Supplement Contribution (HSC)

  A fee charged by the Australian Government to fund day-to-day expenses in addition to the basic daily fee. The HSC will be payable depending on assessable assets and income with a daily cap of $22.15. (Indexed in March & September).

What are my Accommodation Cost options?

Once your accommodation costs have been determined by your means assessment and your accommodation payment/contribution calculated, the following payment options are available to you:

- A lump sum – Refundable Accommodation Deposit/Contribution (RAD/RAC). We will retain a portion of any lump sum accommodation payments paid when room is vacated: 2% for each year of care up to a maximum of five years (maximum 10%).
- Rental style daily payments – Daily Accommodation Payment/Contribution (DAP/DAC) (Indexed to inflation in March & September). Not refundable at the end of care.
- A combination of both – This is when you combine the two types of payments to meet your costs. You can split the combination any way you choose.
- Drawdown Option – Paying a partial RAD (Refundable Accommodation Deposit) reduces the daily accommodation cost. The paid RAD amount can also be drawn down to help fund the ongoing DAP (Daily Accommodation Payment) balance on request. You have 28 days after entering care to decide your preferred payment method. A DAP is charged until your RAD is paid in full.

What are my regular payment arrangements?

At Nazareth Care our payment method is a monthly **Direct Debit** from your nominated account. This full month payment occurs on the **15th of each month or next business day**.
